SUBJECT: Status of OSI File Installations

Listed below are the remaining offices within OSI in which we have been requested to install the Agency file system:

Elint Staff	3 cubic feet
Fundamental Sciences Div.	2 cubic feet
FSD/Geophysics Branch	2½ cubic feet
Medicine Division	3 cubic feet
Nuclear Energy Division*	16 cubic feet

* As [REDACTED] was unable, due to security restrictions, to review the records of NED during his records survey I am not able to give a more accurate figure. I doubt seriously that there are 16 cubic feet of Division subject files. As a Que Clearance is required for viewing these records I'll have to handle this division alone.

For your information we have now completed the following:

- ✓ OSI/AD
- ✓ OSI/EXEC
- ✓ OSI/EXEC/ADMIN. BR (5 Sections)
- ✓ OSI/EXEC/INFO. BR
- ✓ OSI/COLLECTION STAFF
- ✓ OSI/INTELLIGENCE PRODUCTION STAFF
- ✓ OSI/ELECTRONICS DIV
- ✓ OSI/APPLIED SCIENCES DIV
- ✓ OSI/ GUIDED MISSILES DIV
